

STORY BOOK LODGE CHRISTIAN CAMP

5079 VERMILION TRAIL, GILBERT, MINNESOTA 55741

Story Book Lodge is a faith-run Christian camp nestled in the woods of northern Minnesota offering Bible-focused summer camps and weekend retreats where people of all ages can grow in their faith, make lasting friendships, and enjoy God's creation.

SUMMER CAMPS

Fun, action-packed days drift into reflective evenings around the campfire. You'll gain a deeper understanding of the Bible and the gospel of Jesus Christ. Lifelong friendships have been born out of our summer camps. The Story Book Lodge staff are volunteers who are focused on creating a great week for each camper. We have staff ranging from high school students to seasoned parents who serve with their families. SBL has operated every summer for 75+ years.
